CANDY

[Amejizo]

Jizo-san in Nishinari is a very kind Jizo-san. We want the shopping arcade to be kind to people as well. This thought became the character "Amejizo". It is also inspired by "Osaka's old lady's candy" that brings people together?!

A new storytelling performance on the theme of Nishinari x Ojizo-san!

The area where the Tobita Area Shopping District Union is located has a long history of "Tennojimura," the birthplace of Kamigata entertainment. In such a town of performing arts, many Jizo statues that survived the war still remain. This time, January 22, which falls on the Chinese New Year, will be named "Jizo New Year," and a creative lecture and special dialogue will be held on the theme of Nishinari and Jizo-san.
